Chief Clerk of the House

DATE: March 5, 1996

SUBJECT: **SB 2913 - HB 2764**

This bill, if enacted, will require counties with a metropolitan form of government to establish comprehensive wellness plans for their employees. Only Davidson and Moore Counties are currently affected by the bill.

The fiscal impact from enactment of this bill is estimated to be an increase in local government expenditures in Moore County. Davidson County currently operates such a wellness plan. Such increase cannot be determined but is estimated to be not significant.
